

The School of Energy

Today and Tomorrow

SAN JUAN COLLEGE
Success Matters

School of Energy Overview

History of:

- Partnership with industry
- Program design collaborating with industry
- Just-in-time flexibility
- Degree/Certificate/Non-Credit Credential
- Majority-Minority Institution

SAN JUAN COLLEGE
Success Matters

Student Demographics

School of Energy
2020 - 2021

SAN JUAN COLLEGE
Success Matters

Academic Programs

Degree or Certificate Programs:

- Advanced Petroleum Production
- Natural Gas Compression
- Instrumentation Controls Electrical Technology
- Industrial Process Operations
- Industrial Maintenance Mechanic
- Occupational & Commercial Construction Safety
- Tribal Energy Management Studies
- Commercial Drivers License

SAN JUAN COLLEGE
Success Matters

Center of Excellence

The Center of Excellence for Renewable Energy and Sustainability initially identified four areas of possibility.

They are:

- 1) Electric Vehicle Technology
- 2) The Recycling and Repurposing of Lithium Ion Batteries
- 3) Education of Issues Surrounding Water Security and Sustainability
- 4) Hydrogen and its Role in Providing Clean and Affordable Energy
